**CDBG****Community Development Block Grant Program****MANAGEMENT MEMORANDUM****Memorandum Number 02-01****TO: All Eligible Jurisdictions and Interested Parties****DATE: January 11, 2002****SUBJECT: Fiscal Year 2002/2003 CDBG General/Native American Allocation Funding Cycle
Notice of Application Training Workshop Dates and Locations**

Purpose of this memo: To notify all eligible jurisdictions and interested parties of the dates and locations of training workshops. Each year at the beginning of the annual funding cycle for General and Native American Allocation funds, the State CDBG program conducts application training workshops. These workshops provide information to interested jurisdictions about the availability of funds and how to prepare the application package. State CDBG staff will be available before and after the workshops to meet with interested parties to discuss specific funding proposals.

The Notice of Funding Availability (NOFA) is scheduled to be released on January 18, 2002. HCD has published and mailed to interested parties and jurisdictions a Public Notice for Comment on proposed changes to the State CDBG regulations, held a public hearing on January 7, 2002, will conduct a second comment period of 15 days, and will submit the amendments to the CDBG State regulations to the Office of Administrative Law. Any changes in the NOFA that would result from comments received by HCD will be mailed to all interested parties and jurisdictions.

Dates and locations: This year, CDBG staff will present seven workshops around the state. The workshops will run from 9:00 a.m. to approximately 3:00 p.m. There is no need to make reservations.
